Business Online Banking Additional Services

Online Bill Payment – FREE

- Pay your bills and invoices with the press of a button. Eliminate writing checks, purchasing envelopes or postage, and making trips to the post office. Set up automatic payments to pay your bill in full, make partial payments, or pay as you go. Receive an electronic copy of your bill within Online Banking from Payees that offer this service.

External Transfers

Additional documentation and approval are required. Available in all Online Banking Packages. Additional fees apply.

- Allows your business to transfer funds from your accounts at Peoples Bank to designated account(s) at other financial institutions.

Treasury Management Services

Additional documentation and approval are required. Available in Gold and Platinum Online Banking Packages. Additional fees apply.

- ACH (Automated Clearing House) Origination**
Create templates or upload a NACHA file to send payments to or collect money electronically to/from accounts at other financial institutions. Great for: payroll direct deposit, employee bonuses, employee reimbursements, commissions, disbursements, collecting memberships, dues, fees, rent, charitable contributions, etc.
- Check Positive Pay and Check Positive Pay with Payee Matching**
This check fraud prevention service allows your company to submit checks you have issued. When checks are presented to your account, they are matched to your issued checks. Checks that don't match are considered "exceptions" on which you can make a decision to "pay" or "return".
- ACH Positive Pay and ACH Debit Block**
Filter or block ACH debit transactions from posting to your accounts. Create payment rules to accept debits. Each day, you are provided with a list of "exceptions" on which you can make a decision to "pay" or "return".
- Remote Deposit**
Deposit checks without leaving your office using a bank provided scanner. Eliminates the need to take your checks to the bank and extends your deposit cutoff time.
- Account Reconciliation**
Make reconciliation quicker and easier with Account Reconciliation. We will provide you with monthly reports detailing your outstanding, paid and voided checks, and stop payment items.
- Deposit Reconciliation**
Simplifies the process of reconciling your deposits from multiple locations or business units that deposit to the same account.
- Wire Transfer**
Send one-time, future dated, or recurring wires online and eliminate a trip to the bank. Use pre-established templates to easily send repetitive wires.

Primary Administrative User - Required

The Primary Administrative User will have **full access** to all accounts and functions within Business Online Banking. This user will be responsible for creating, updating, and deleting additional Authorized Users (if package permits), assigning access to accounts and services, and resetting User passwords. You are responsible for deleting and/or blocking any tokens or other security devices used by or assigned to the Primary Administrative User and/or any Authorized User that is no longer employed by you. **The Primary Administrative User must be an authorized signer on all accounts.**

Name	Work Phone
Email Address	Mobile Phone
Requested User ID:	<ul style="list-style-type: none"> ✓ Must be between 4 and 26 characters long. ✓ Must contain at least 2 letters and 2 numbers. ✓ Special characters are not supported.

Multiple Business or Personal Account Access - Optional

Please list the additional businesses or individuals that you wish to add to your Business Online Banking profile. **Authorized signers must be the same on each account.** This request is subject to review and approval by the Bank.
